

***For 4 consecutive days starting on April 1st at 10:00 am, a different puzzle will be posted on our hunt web page. Each one will consist of a combination of brainteasers, riddles, and hints. Solving the puzzles will take participants on a journey throughout Glastonbury Connecticut to the final location of a hidden scrabble letter "X" sterling silver and black diamonds pendant. The pendant and finder's message must be brought to Pennachio Jewelers in order to claim the actual \$4,000 1.2 ct. t.w. diamond earrings prize.***

***Since we really do want to give away the earrings, if nobody finds the letter "X" pendant by 10:00 am on the following Tuesday, we will begin posting the answers to the first three puzzles on our web page and Facebook page for 3 consecutive days. The contest will end on April 30, 2015 at midnight if no one has found the pendant although we have confidence that after releasing the answer to the 3<sup>rd</sup> puzzle, it will then be a mad dash to the final spot...speaking of which, please don't mess up our town or break any laws trying to get to the pendant. Please also be sure to read the Official Rules posted on our hunt web page if you plan on participating in the hunt.***

***Oh, and by the way, for the entire month of April we will also be having our annual Storewide Anniversary Clearance Sale. Sorry, we can't give anything else out for free as we do have bills to pay, but we are offering some very nice discounts over our already everyday low prices so stop by to take advantage of this once a year sale!!!***

***Also, remember to "Like Us" on Facebook to solve practice riddles for prizes, be notified when information is posted, and monitor progress of the hunt. We may even post some hints there from time to time.***
